Team Safariland's Shooters Rob Leatham and Jessie Duff Take Champion Titles at 2013 USPSA Single Stack National Championship

ONTARIO, California – Safariland® applauds Team Safariland shooters, Rob Leatham and Jessie Duff, for their remarkable wins at the 2013 USPSA Single Stack National Championship held May 9 - 11 at PASA Park, Barry, IL. Both sporting the Safariland ELS belt system with a USPSA adaptor mount, Leatham triumphed with his 17th Single Stack National win while Duff competed in her first Single Stack National and was respectably crowned as the ladies champion.

"This was my first time shooting Single Stack, so I didn't know what to expect," said pro-shooter Jessie Duff. "But, I enjoyed the match, the stages and the group of ladies I shot with!" Duff, wearing the 5197 Range Series holster, won four out of thirteen stages.

Rob Leatham, also affectionally known as "TGO" or "The Great One", shot penalty-free as he reaffirmed his reputation for consistency at the Single Stack Nationals. "I took very few chances and hoped that my approach would work out in the end." said Leatham. "My equipment is always a factor in my success. My Safariland setup, including a 5198 holster, was easy to attach and infinitely adjustable in height, cant and angle, which allows me to perfectly align my holster for high-level competitions, where every draw matters."

Good luck to Rob, Jessie and all the other Team Safariland members competing in the MidwayUSA & NRA Bianchi Cup National Championship, which will be held in Columbia MO, May 22-25.
